

UNIFIED SPORTS WOMEN'S ARTISTIC GYMNASTICS EVENTS

- Rules and routines in the Official Special Olympics Artistic Gymnastics Rules are the same for individual and unified competition. All rules and regulations apply equally to athletes and partners.
- Athletes can compete in either individual or unified pairs, but may not compete both in the same competition.
- In Unified Pairs events, the athlete and unified partner perform separately. The judges will evaluate the athlete's routine and the unified partner's routine. The scores are added together for a unified team score.

Events Offered for All Levels

- Unified Pairs Vault
- Unified Pairs Uneven Bars
- Unified Pairs Balance Beam
- Unified Pairs Floor Exercise
- Unified Pairs All-Around

The following routines are examples of Unified Artistic Gymnastics.
